

Kemi Morrison is the Administrative Assistant for the Eos Foundation. Kemi joined Eos in 2020. She supports all business, program, and back-office operations for the Foundation. In addition, Kemi assists with marketing, graphic design, event coordination, general and media communications.

Kemi comes to the Eos Foundation with a background in Multimedia Design and Visual Communication. She holds a Master of Fine Art degree in both Media Design and Creative Writing and an undergraduate degree in Information Technology, with a Visual communications and Multimedia Arts concentration.

Originally from St. Andrew, Jamaica, Kemi grew up in the Cayman Islands (Grand Cayman), before migrating to the US. She lives in Eastham, Massachusetts with her husband and son. When not at the office, you will find her in the kitchen cooking a flavorful West Indian dish, or occasionally working on her latest short story/artwork collection.
